CORPORATE SPONSORSHIP PROGRAM

SEEDS OF HOPE CHILDREN'S MINISTRY

We provide comfort and care to children who are bewildered by the loss of parents, have been abandoned by family, and are suffering from malnutrition, poverty, homelessness, and diseases like AIDS. We also care for children who have been rescued from war and human trafficking. Our goal is to change their lives by providing the love, security, medical care, healing, and education they deserve.

Our vision is to raise leaders through education and opportunity. We aim to save the lives of children through the care we provide and to give sustainable hope for children and their communities by the programs we put in place.

How Do We Make a Difference?

We strive to make a difference in the lives of children growing up in trauma, fear, insecurity, abuse, and extreme poverty. Sometimes, our help even means the difference between life and death.

- 93% of your donations go directly to children in need, distributed through food, education, housing, care, and support.
- Provides scholarships for all our graduate students to universities, colleges and trade schools to help our children to escape poverty with education.
- Seeds of Hope employs over 100 national staff helping to raise their standard of living and that of their children.
- Since 2005, we have been able to provide antiretroviral (ARV's) therapy for all our HIV positive children.
- Seeds of Hope is presently impacting the lives of over 350 children.

How Can Your Organization Get Involved?

Corporate sponsorship will help us manage expenses not covered in full by child sponsorship. Your partnership through corporate sponsorship will:

- Enable us to hire highly qualified teachers to provide better quality of education.
- Enable us to have proper maintenance and care for our building and facilities.
- Allow us to hire drivers and purchase buses.
- Provide a higher level of education to the kids.
- Provide access to nurses, psychologists, social workers, therapists, etc.

We believe that giving should always be a choice. That is why we provide no restriction on cancellation and no restriction on how long your sponsorship can continue. No strings attached.
